## **Game**

14. The home team will use the first base side dugout and will be responsible for keeping the official score book. The visitor team will use the third base side dugout and will be responsible for operating the scoreboard.
15. The home team is responsible for preparing the field for the game, which includes liming the foul lines and batter boxes, moving the bases to the correct distance if needed, and having the scoreboard ready for use.
16. The visitor team is responsible for filling out the Game Sheet and having the umpires sign the sheet.
17. The Clintonville Youth League will provide one new baseball for the game and one good used ball. A regulation Little League baseball will be used.
18. All games must be played on the scheduled dates and times. Exceptions will be made if prior arrangements have been discussed and both coaches have agreed on those dates and times. Failure to comply with this rule may result in a forfeiture of the game.
19. Both the home and visiting team may warm-up prior to the start of league games. It is the discretion of the coaches scheduled to play as to which team will have use of the diamond or batting cage first.
20. Make-up games shall be played within two (2) weeks. If no make-up date is scheduled, league officers will schedule a date and the team that cannot make it shall forfeit the game.
21. No player may play in any game, unless all league player fees are paid in full. Games in which an ineligible player has played will result in the violating team forfeiting the game.
22. All players must play at least two (2) innings in the field. If a manager or coach has a justifiable reason (personal conduct, illness or injury), they may withhold a player(s) from playing the minimum of two (2) innings in the field. In that case, manager or coach must advise the other team and the umpires of this decision as soon as possible. If a manager or coach withholds a player(s) from playing in the field or batting for more than one (1) game, reasons shall be reported to the VP of Baseball Operations. Violation of the minimum two (2) innings rule or failure to bat all players present will result in forfeitures of the game(s) in which it is determined that the rule has been violated.
23. The coach shall list all players present at the game in the order that he wishes them to bat. This batting order will remain the same for the entire game. If a player becomes injured or ill and cannot bat, his/her spot in the batting order shall be eliminated.
24. At the Olen LL Field, out of play on the 1<sup>st</sup> base side is an imaginary line from the fence in front of the home team's dugout straight south to the cement/stone wall, continuing straight east along the wall to the right field fence.
25. At the Olen LL Field, out of bounds on the 3<sup>rd</sup> base side is the imaginary line from the fence of the away team's dugout to the outermost leg of the light tower.

26. At the Olen LL Field, an overthrow on the 1<sup>st</sup> base side that hits the wall and stays in play is considered a live ball. Base runners must get their bases on their own.
27. At the Olen LL Field, no one is allowed to sit on the wall on the first base line while a game is in progress. If they do, it is the coaches and umpires responsibility to ask them to move. This is to avoid any interference and/or personal injury.
28. No games will be postponed except for weather related conditions. If a game is in progress and must be called due to weather, it will be considered a complete game if four (4) or more innings have been played. If the home team is leading and at bat in the bottom of the 4<sup>th</sup> inning this will be considered a complete game, regardless of how many outs have been recorded. If less than four (4) innings have been played the game will be rescheduled and will restart at the point of postponement.
29. All batters must wear a helmet from the time they leave the dugout until the time they return to the dugout, including time spent on deck, batting, and running the bases.
30. If a team is leading by ten (10) or more runs after five (5) innings, it is considered a complete game.
31. Two umpires will be provided for each game. One will be the home plate umpire and the other one is the field umpire. If an umpire does not show up for a game, the Umpire Coordinator should be contacted immediately.
32. A complete game consists of six (6) innings, or two (2) hour time limit. No new inning can be started once the time limit has expired.
33. No more than eight (8) runs can be scored per team, per inning. If eight (8) runs are scored, teams will automatically change positions regardless of the number of outs recorded. This rule shall apply for innings one (1) through five (5). In inning six (6) to the end of the game, each team will have no limit on runs scored.
34. If a Double Header is on the league schedule or played to make up a postponed game, the game shall consist of two four inning games for the 9/10 year olds.

## **Pitching**

35. In league play a pitcher will not be allowed to pitch more than three (3) innings per game, per day. Games in which an ineligible pitcher has been used will be forfeited. One pitch constitutes an inning.
36. Five (5) warm-up pitches will be allowed between innings. Ten (10) pitches will be given for a new pitcher entering the game.
37. No intentional walks of any batter are allowed. Pitches must be made.
38. Trips to the mound by a manager or coach may not exceed one (1) trip per pitcher in any one (1) inning. The second trip shall automatically result in the removal of that pitcher from the game as a pitcher. No more than two (2) minutes will be allowed for a trip to the mound to confer and or change pitchers.
39. Once a pitcher is removed from the mound, he/she may not re-enter that game as a pitcher, but may re-enter the game and play at any other position. All other positions are free substitution.
40. In the spirit of developing good baseball players at all age levels, a 3<sup>rd</sup> grade pitcher must pitch at least one inning of the game.

## **Fielding, Hitting & Base Running**

41. If a base runner, in the opinion of the umpire, is delaying the game by standing off of a base, the umpire will issue one (1) warning per team per game. A 2<sup>nd</sup> violation will result in the runner being called out.
42. The infield fly rule will not be used.
43. Strike three (3) on a batter means the batter is out, even if the catcher drops the ball.
44. The strike zone will: a) be from the batter's knees to mid-chest line, just below the arm pit, and b) the ball must cross some part of home plate.
45. No big barrel bats will be used in a game. All bats must have a diameter less than 2 5/8".
46. A pinch runner may be used in a game for injury purposes only. The pinch runner must be the player that made the last out.
47. Teams may play with eight (8) players and the 9<sup>th</sup> spot in the batting order is an automatic out. A team with less than eight (8) players must forfeit that game. It is suggested that a scrimmage game be played if possible.
48. When stealing is allowed, there is no leading off. The ball must reach home plate before runners can leave the base. If a runner does lead off early, each team will be awarded one (1) warning per game. The second violation results in the runner being called out.
49. For the 9/10 year olds, stealing bases is allowed. Runners may advance on a wild pitch, passed ball or the return throw to the pitcher. For the first half of the season, base runners are NOT allowed to steal home for any reason, unless the defense makes ANY play on ANY runner(s) trying to advance to ANY base(s). During the first half of the season, the runner on third may not advance to home on a passed ball. However, for the second half of the season, base runners may steal home for any reason.
50. For the 9/10 year olds, the team in the field should have 10 players in defensive positions.
